

CITY OF ALAMO  
WHEELER COUNTY GEORGIA  
TELFAIR-WHEELER JOINT E-911 AUTHORITY ADDRESSING ORDINANCE

Section 1. Enactment and Short Title.

Through the Mayor and City Council of Alamo, Georgia, it is hereby ordained by this governing authority of the City of Alamo, to enact and adopt the following Ordinance, which shall be known and cited to as the "Telfair-Wheeler Joint E-911 Authority Addressing Ordinance".

Section 2. Definitions.

Mayor – The Mayor of City of Alamo.

City Council - The City Council of Alamo.

Building Official - Person, whom the Mayor and City Council have appointed to administer and enforce the provisions of this Ordinance. May also be referred to as "Code Enforcement".

City - Alamo, Georgia.

Section 3. Purpose.

The purpose of this Ordinance is to improve the Telfair-Wheeler Joint E-911 Authority/Emergency Communication System and to provide for a uniform city-wide addressing system with respect to street or house numbers assigned to all residences and principal buildings and businesses within the city. This will assist fire and rescue companies, law enforcement agencies, the United States Postal Service, parcel delivery companies, utility companies, tax appraisal, public works, planning and the general public in the timely and efficient provision of services to residents and businesses in Alamo, Georgia.

Section 4. Display Required.

Every location furnished with a 911 address must display that address so that it is visible from the public roadway. Mobile home parks and apartment complexes, including duplex dwelling structures, shall also be required to have each individual pad, lot number or apartment number displayed in a readily visible manner and in compliance with the requirements of this Article. Such lot, pad or apartment numbers shall be in sequence unless directional signs are provided for numbers not in sequence.

Section 5. Method of Display.

Assigned 911 address numbers may be fixed to the house, apartment, business or other location itself, provided that such house, apartment, business or other location is not more than sixty (60) feet from the center line of the roadway or the road or street in front of such location, and the

number must be readily visible from the street or road by persons traveling along the street or road in each direction. 911 address numbers may also be placed on mailboxes or signs located on the premises in front of the location, as long as the mailboxes or signs are on the same side of the road as the house, apartment, business or other building or location. If the addresses or numbers are displayed on signs, such signs must be of a durable type and must be located not more than sixty (60) feet from the center line of the street or road in front of the property. The numbers on such signs shall be readily visible from the street by people travelling along the street in each direction. If not on signs or mailboxes, the address must be located within ten (10) feet of the access from the public road. If the road in front of the location is unpaved, said sign should be located not more than forty - five (45) feet from the edge of the road nearest the location. If the house, apartment, business or other building or location to be numbered is more than sixty feet from the center line of the street or roadway in front of the property, or if for any reason a street address number affixed to the location would not be readily visible from the street or roadway by persons traveling along the street or roadway in each direction, then the 911 address numbers shall be displayed on a sign or mailbox in the premises next to the public roadway in front of the structure, and complying with the requirements of this section.

#### Section 6. Size, Condition of Addresses.

Assigned 911 addressed numbers and/or characters shall be a minimum of three (3) inches in height and one and one half (1½) inches in width. Address numbers and characters for businesses shall be a minimum of four (4) inches in height and two (2) inches in width. All numbers or characters shall be reflective on a contrasting background so as to be clearly visible. It is recommended to use white reflective numbers and/or characters on a green background.

#### Section 7. Proper Maintenance.

It shall be the responsibility of each property owner to properly maintain their 911 address signs. Tall grass or bushes are to be kept cut or trimmed so as to not obstruct said signs. Also, any faded or missing numbers or characters shall be replaced so that the location may be located easily and at all times by emergency personnel.

#### Section 8. Duty of Owner; Notification: and Enforcement.

The obligation to comply with the provisions of this Ordinance shall be upon the owner of the property. Failure to comply shall constitute a violation of this Ordinance. Upon such violation, notice shall be given to the owner of the property, or his agent, specifying the nature of such violation, and requiring that such violation be remedied and brought into compliance within ten days after receipt of such notice. Notification shall be made by the designated Building Official. Any property owner who does not comply with this Ordinance shall be in violation of this Ordinance, and said violation shall result in a penalty of not more than \$100.00 plus the cost of enforcement and prosecution. Said prosecution will be pursued through the Municipal Court of Alamo, Georgia. The designated City Building Official shall be responsible for enforcement of

this provision. It shall be unlawful for any person to remove, damage, alter or deface any posted 911 Address Sign in the City of Alamo. Violators shall be subject to prosecution. Upon conviction, the violator will be liable for a fine not to exceed \$1,000.00 plus the cost of enforcement and prosecution. Said prosecution shall be pursued through the Municipal Court of Alamo, Georgia.

Section 9. Effective Date. This Ordinance shall become effective on June 16<sup>th</sup>, 2026.

This 15<sup>th</sup> day of June, 2026.

Mayor, City of Alamo, Georgia
